

MOHAVE MINING MEN BACKING THE TIPTOP

DEAL IS CLOSED FOR OPERATING TUNGSTEN-SILVER PROPERTY ON A LARGE SCALE.

Important matters affecting the Tiptop Consolidated Mining Company, by which this property is to assume a very active state of development with ample funds assured, were announced yesterday as having been closed.

Messrs. McIver and Long, principals of the United Eastern at Oatman, and W. B. Ridenour, a large stockholder therein, have become interested in the Yavapai property, and have guaranteed funds for unwinding and developing the property. The Mohave mining men, it is understood, also are owners of a large block of stock of the Tiptop, and under the agreement entered into, active operations on a very elaborate plan are to begin inside of a week, and vigorously carried out. The consummation of this big deal was given publicity yesterday by principals of the Tiptop Company.

LITTLE DAISY TO SOON DECLARE A DIVIDEND

SPECIAL CORRESPONDENCE.

JEROME, June 23.—A meeting of the board of directors of the United Verde Extension Company is to be held within the next two or three weeks at which a dividend on the stock will be declared. There have been various rumors in connection with a declaration, but information obtainable in reliable quarters is that the present plans call for the beginning of distributions at the annual rate of \$2 or \$2.50 per share. Several of the directors favor quarterly disbursements, and the proposition receiving the most attention in informal discussions is an initial quarterly declaration of 50 cents regular, with possibly 10 cents extra, or something around 60 cents regular.

While there may be a change in the plan before the dividend meeting is held, it is stated in these circles that the present indications favor the adoption of this plan.

HUNT PROMISES PROTECTION TO MEXICANS

(From Sunday's Daily)

With a view of allaying, among the foreign-born population of the State, any uneasiness that may have been caused by the present break in the relations of the United States and Mexico, Governor Hunt has issued a proclamation, copies of which have been printed in English and Spanish and distributed throughout the State, promising that all foreign born citizens will be protected and treated fairly.

In this way Governor Hunt hopes to prevent any disturbances between Mexicans and Americans in any part of Arizona. The proclamation follows:

"Whereas recent developments in Mexico, whereby the United States has come to assume a new and important relation toward all elements of the Mexican people, may be reasonably assumed to have given rise to some uncertainty as to the attitude that would be observed by the State government of Arizona, in the event of further complications however serious, toward all foreign people of whatever class or faction, residing permanently or temporarily within this State:

"Now therefore, I, George W. P. Hunt, Governor of Arizona, by virtue of the authority vested in me by law, do give assurance of the intent and purpose of the State of Arizona to maintain toward every Mexican and other foreign resident not a fugitive from justice or otherwise directly answerable to the lawful authority of another State, or to the government of the United States, such an attitude of guardianship, protection and justice as ordinarily characterizes the State's demeanor in time of peace toward its acknowledged individual residents; according them all usual and reasonable privileges and every safeguard of security compatible with the public peace and safety."
